We will play a bridge game in PowerPoint!

Hello,

We are confident that you already know quite a bit about the most popular mental card game in the world and the Olympic discipline of bridge.

Today, we invite you to play a real game of bridge in PowerPoint. To do this, use the following link:

We wish you a lot of enjoyment as you play bridge.

We hope that bridge, played by 50 million people worldwide, will captivate you too. There is the World Bridge Federation (<http://www.worldbridge.org>) in the world, which ensures that people can play bridge, primarily competitively.

Best regards,
