Playing Double Dummy Bridge on Paper

Hello,

Following our initial email where we provided you with a link to a short film featuring students from the Faculty of Mathematics and Physics presenting the elective subject Bridge, we also offered you a quiz related to Bridge. It's likely that you're interested in learning how to play Bridge.

For this purpose, we have prepared Double Dummy Bridge on Paper for you, available in PDF format. Print it on a sheet of paper using your computer and then play according to the attached instructions. Watch the video tutorial on how to solve Double Dummy Bridge on Paper by using the following link: <https://tinyurl.com/bridzpaper>. Once completed, take a photo of the solved sheet with your phone and send it to us at the following address: [uptado7@gmail.com](mailto:uptado7@gmail.com). The deadline for submission is 14 days after the dispatch of this email.

The first 3 players who achieve the highest scores will receive the following cash prizes:

1st place: €3,000,  
2nd place: €2,500, and  
3rd place: €2,000.

Presentation of playing bridge in PowerPoint without trump

---

Hello,

Considering our two previous emails regarding bridge, where you could see how students at the Faculty of Mathematics and Physics learn bridge as part of elective courses. We also offered you a quiz related to Bridge, and with the help of Visible Bridge on paper, you could learn how to play this mental game. Bridge, like chess, has the status of an Olympic sport.

In today's email, we have prepared a short PowerPoint for you to review how to play this mental game.

Best regards,

We will play a bridge game in PowerPoint!

Hello,

We are confident that you already know quite a bit about the most popular mental card game in the world and the Olympic discipline of bridge.

Today, we invite you to play a real game of bridge in PowerPoint. To do this, use the following link:  
<https://tinyurl.com/play-bridge-pp>

We wish you a lot of enjoyment as you play bridge.

We hope that bridge, played by 50 million people worldwide, will captivate you too. There is the World Bridge Federation (<http://www.worldbridge.org>) in the world, which ensures that people can play bridge, primarily competitively.

Best regards,
