Playing Double Dummy Bridge on Paper

Hello,

Following our initial email where we provided you with a link to a short film featuring students from the Faculty of Mathematics and Physics presenting the elective subject Bridge, we also offered you a quiz related to Bridge. It's likely that you're interested in learning how to play Bridge.

For this purpose, we have prepared Double Dummy Bridge on Paper for you, available in PDF format. Print it on a sheet of paper using your computer and then play according to the attached instructions. Watch the video tutorial on how to solve Double Dummy Bridge on Paper by using the following link: <https://tinyurl.com/bridzpaper>. Once completed, take a photo of the solved sheet with your phone and send it to us at the following address: uptado7@gmail.com. The deadline for submission is 14 days after the dispatch of this email.

The first 3 players who achieve the highest scores will receive the following cash prizes:

1st place: €3,000,

2nd place: €2,500, and

3rd place: €2,000.

Best regards,

Janko Kos
